

ONCE A FALCON, ALWAYS A FALCON!

Is your child a graduate of Saratoga High?
Are you wondering whatever happened to the many friends and acquaintances
you made during your child's years at SHS?

Then come join the Saratoga High School Alumni Parents' Group! Here's a way for you to re-connect or keep in contact with some of your old friends while enjoying fun activities. The membership form is below and the \$25 fee includes a subscription to the SHS Falcon newspaper. A portion of the alumni membership will help to fund financial scholarships for SHS students for school activities and programs.
